### **My Qualities**

Capable – Good listener - Ethical – Hardworking – Problem Solver

### **My Personal Concerns**

- Create measured, progressive growth, while preserving the environment
- Build successful structure for the cannabis industry that follows the law
- Encourage affordable housing for teachers, health care professionals, agricultural workers and service providers to secure better resources in our county
- Protect our coastline from oil drilling - Support for the fishing industry
- Improve efficiency in county infrastructure and agency collaboration
- Your concerns and ideas so that I can represent you as member of this county
